Hands-on Training

Our style of teaching relies on us adapting to each student's needs. We believe in a "hands on" teaching approach. Our goal is to give the student the best opportunity to retain the information they are learning.

Who We Are

CDI is a Career Technical Training School dedicated to meeting the demands of the job market in Tulare, Kings, and Fresno counties. Equipped with an experienced and dedicated staff, CDI is committed to helping students overcome past and present obstacles to reach their specific goals and claim a more successful future.

Preparing Individuals with the Necessary Job Skills for the 21st Century

BPPE School Code #37992115

GENERAL ADMISSION REQUIREMENTS

Applicants who do not have a high school diploma, high school certification, or GED and are 18 years of age or older must demonstrate the ability to benefit from the program of instruction. Candidates who do not necessarily hold a diploma or certificate will still be eligible for enrollment into CDI upon obtaining a passing score on an independently administered "ability-to-benefit" examination.

LEARN NEW SKILLS

CDI provides the opportunity to learn essential skills that can improve your ability to reach the level of success you're striving for. Our goal is to emphasize the necessary skills that will make the student employable.
