To Our Students,

Thank you for choosing to attend Career Development Institute (CDI)! It is a pleasure to have you with us!

CDI is a private post-secondary vocational school dedicated to meeting the demands of the job market in the counties of Tulare, Kings, and Fresno. Moreover it has been studied carefully to insure that its program curriculum satisfies not only the needs of potential employers, but also the needs of its potential students. We are here to help you succeed. We not only monitor your progress, our administrative and instructional staff will regularly meet with each of you individually to discuss your status, evaluate your training and attempt to resolve personal problems which may affect your studies.

The course of study you have chosen will require dedication and hard work in order to successfully enter the working world. Although it will require time and effort, your future will be brighter and you will have more opportunities to succeed.

We look forward to working with you, as you become a well-equipped service provider. The Career Development Institute is here for you. Please take advantage of the opportunity you are taking.

Sincerely,

Hector Cartagena

PROFILE

HISTORY

Mr. Hector Cartagena, after extensive research identifying needs of the local labor market and those of potential students, concluded that he should use his experience working as an instructor in a manner that would better benefit his students.

Mr. Cartagena, having also gone through Vocational Rehabilitation Training, can identify with some of the obstacles, culturally, and personal that faces the majority of the students he will be assisting. Mr. Cartagena, the son of a farm working family, without the financial resources, limited English proficiency, realized that education was, is, and will always be one of the basic keys to success.

CDI will be offered as a comfortable, relaxed and intimate environment for learning by limiting class sizes to 10 students per class; hiring bilingual instructors who can not only speak the language, but can also recognize potential problems due to cultural differences.

PHILOSOPHY

Career Development Institute is a private coeducational post-secondary institution. CDI and its entire staff must commit themselves to helping students overcome problems and reach their specific goals. Said goal being to continually enhance and upgrade the curriculum, materials, systems and facilities to provide the best methods and environment for learning and employing staff committed to a policy of listening to their student's comments and suggestions, and attempting to incorporate them into its overall objectives.

Career Development Institute's teaching style relies on instructors adapting to each student's needs. CDI believes in a "hands on" teaching approach. Our goal is to give the student the best opportunity to retain the information they are learning. Our focus is to emphasize the necessary skills that will make the student employable.

MISSION AND PURPOSE

Career Development Institute strives to educate students with the essential job skills required to present themselves as highly valuable assets to succeed in today's evolving job market. In order to best accomplish this, we provide them with opportunities to develop the thought processes, knowledge, self-confidence, professionalism, along with skills and abilities to gain and maintain employment with their chosen industry.

OBJECTIVES

The Career Development Institute's objectives are to:

- Implement a collaborative learning model to engage diverse learners;
- Promote research, entrepreneurship, and technological innovation;
- Ensure relevance to our corporate partners' learning needs; and,
- Empower our graduates to contribute to the community.

Career Development Institute's academic programs are specifically designed to align with the stated mission and purpose with the following five measurable learning outcomes for each program offered by Career Development Institute:

- Critical Thinking and Problem-Solving;
- Self Confidence and Personal Growth;
- Professionalism and Work Ethic;
- Teamwork and Collaboration;
- Oral Communication; and Written Communication.

Career Development Institute seeks to ensure that its graduates will demonstrate the following attributes:

- Critical awareness of multiple approaches, methods, and assumptions of different academic disciplines and how these are applied to social and professional problems;
- Personal accountability and effective work habits (e.g., working optimally with others, effectively manage time, and work responsibilities);
- Academic and professional decision making ability based on commonly accepted ethical standards and practices;
- Collaborate effectively with others to achieve a common goal; and,
- Express communication competence (oral and written).

“NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION”

The transferability of credits you earn at Career Development Institute is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Career Development Institute to determine if your certificate will transfer.

TRANSFER OF CREDITS FROM OTHER INSTITUTIONS

Career Development Institute has not entered into an articulation or transfer agreement with any other college or university.

EXPERIENTIAL CREDIT

FINANCIAL AID POLICES AND DISCLOSURES

If a student is referred by an agency that provides a grant for education, the student is not required to repay the grant per the agency's guidelines. Career Development Institute participates with local WIOA, Insurance Companies and Department of Labor grants and other payments for education.

WIOA brings together, the core programs of Federal investment in skill development:

- employment and training services for adults, dislocated workers, and youth and Wagner-Peyser employment services administered by the Department of Labor (DOL) through formula grants to states; and
- adult education and literacy programs and Vocational Rehabilitation state grant programs that assist individuals with disabilities in obtaining employment administered by the Department of Education (DoED).

WIOA also authorizes programs for specific vulnerable populations, including the Job Corps, YouthBuild, Indian and Native Americans, and Migrant and Seasonal Farmworker programs as well as evaluation and multistate projects administered by DOL. In addition, WIOA authorizes other programs administered by DoED and the Department of Health and Human Services.

WORKMEN'S COMPENSATION INSURANCE: Students may check their eligibility for available Workmen's compensation funding from the California Department of Workmen's Compensation on their website located at: <http://www.dir.ca.gov/dwc/> or call them at (800) 736-7401 for recorded information that will help injured workers, employers and others understand California's workers' compensation rules and regulations. The information will describe the rights and responsibilities of workers and employers under the current system.

The institution is not approved to participate in the Federal or State Student Aid programs.

Students who are eligible and obtain a loan guaranteed by the federal or state government are responsible to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance at another institution until the loan is repaid.

TITLE IV STATEMENT

Students at Career Development Institute are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

STUDENT RECORDS

Student records are maintained for at least five years from the date of student's graduation, termination or withdrawal. They are retained by the school and are available for the students upon individual request. Student Transcripts are retained indefinitely.

ACCESS WITHOUT STUDENT CONSENT

The School may release student information without written consent of the student to:

- Other schools, CDI or Bureau officials who have legitimate educational interest,
 - Other schools where students have applied for admission, Authorized representatives of the Dept. of Education or the Controller General of the United States of America, and Accrediting agencies, Parents of students who are their dependents, for purposes of the Internal Revenue Code, however, the school is not required to release such records, Appropriate persons or agencies in the event of a health or safety emergency, where such release without consent is necessary under the circumstances, or:
- ◆ Organizations conducting studies to develop, validate, and administer predictive tests, to administer students aid programs, or to improve instruction, in all other cases, the school shall obtain the written consent of the students prior to releasing such information to any person or organization.

DIRECTORY INFORMATION

Directory Information is information, which may be unconditionally released without the consent of the students unless the students have specifically requested that the information not be released. The school requires that such requests (which must specify what categories of information are to be withheld) be made in writing to the Director of the school within fifteen days after students start class.

Building Maintenance	16	\$5,600	\$0.00

Schedule of total charges for a period of attendance and estimated schedule of total charges for the entire educational program are the same.

**Students qualifying for third-party funding will NOT be required to pay any additional tuition cost over and above what their referring agency pays). Books and materials for the enrolled course(s) are included at no additional cost to the student.*

***STRF fees are non-refundable. See the Cancellation and Refund Policy in this catalog for details regarding the regulatory requirements as specified in Title 5 of the California Code of Regulations §76215. STRF Fees are not included in the tuition price. They are additional charges per 5 CCR §76120. - \$0.00 for every \$1,000 rounded to the nearest \$1,000*

STUDENT TUITION RECOVERY FUND

“You must pay the state imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans or personal loans, and
2. Your total charges are not paid by any third party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident,, or not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency programs attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school’s failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed, or if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the

institution for a violation of the Act.”

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Questions regarding STRF may be directed to:

POLICIES AND DISCLOSURES

All applicants who are considering enrolling into any type of educational institution should be very cognizant of all the institution policies, rules and regulations. Additionally there are certain state regulations, which every school must adhere to and insure students are made aware of. These include students rights, refund policies, cost and duration of each course, and others which relate to the applicants benefits.

CANCELLATION AND REFUND POLICY

STUDENT’S RIGHT TO CANCEL

You have the right to cancel an enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation occurs when you give written notice of cancellation to the school administrators. You can do this electronically or physically by mail, fax or in person. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. If you cancel this agreement, Career Development Institute will refund any money that you paid within 30 days after your written notice is received.

STUDENT’S RIGHT TO WITHDRAW

A student must withdraw from a course of instruction before 60% of the course duration is completed to be eligible for a refund. Withdrawals that occur after 60% of the programs scheduled hours do not qualify for a refund. If a student wishes to withdraw from a course of instruction, he or she must do so in writing and meet with the Institute Director of Career Development Institute prior to withdrawal.

REFUND POLICY

The student has a right to a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, if he/she cancels this agreement. The student may withdraw from a course after instruction has started and receive a pro-rate refund for the unused portion of tuition for withdrawals that occur prior to sixty (60 %) of the course scheduled hours. Refunds are calculated as of the day following the last day of attendance.

HYPOTHETICAL REFUND EXAMPLE

Example: If the student receives only 100 hours instruction for a 400 hour scheduled course and paid \$2,075 in total for training (\$2,000 for tuition and \$75 for registration) the total amount the student or training sponsor would receive as a refund would be \$1,500.

The pro rata refund to the student would be \$1,500.00 based on the calculation stated below.

Tuition plus registration per hour	\$2,075.00	\$2,000 divided by 400 hours = \$5.00
Less Registration fee \$500.00	(\$75.00)	100 hours completed x \$5.00 hour =
Total for calculation	\$2,000.00	

STUDENT COMPLAINT PROCEDURE

If a student has a concern of any kind, it should be discussed with the instructor, if unresolved, or if it's a class concern, it should be discussed by appointment with the instructor. If unresolved after this meeting, the concern should be expressed in writing submitted to the Executive Director. A meeting will be held between the student and Executive Director. If you cannot resolve your concern with the school, your complaint may be directed to:

Bureau For Private Postsecondary Education
Physical Address: 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833
Mailing Address: P.O. Box 980818, West Sacramento, CA 95798-0818
Toll Free: (888) 370-7589 Fax Number: (916) 263-1897

CAREER DEVELOPMENT INSTITUTE'S STUDENT CONDUCT AND ATTENDANCE POLICIES

At the discretion of the school administrator, a student may be dismissed from the school for any of the following infractions:

- Any episode in which a student is determined to be intoxicated or under the influence of alcohol or drugs,
- Possession of drugs or alcohol upon school premises,
- Possession of weapons upon school premises,
- Behavior creating a safety hazard to other persons at school,
- Using Profanity,
- Exhibiting discriminatory or disrespectful behavior towards a fellow student, faculty or staff member,
- Sexual harassment,
- Cheating on exams,
- Any other stated or determined infraction of conduct,

SEXUAL HARASSMENT POLICY

Students who believe they are victims of sexual harassment should report it to either a faculty or staff member. The school will investigate reports of incident in a confidential manner. Any student who is found to have sexually harassed other students of faculty and staff will be dismissed immediately.

ATTENDANCE

Career Development Institute recognizes that poor attendance decreases the effectiveness of the training the student receives consistent to complete each program as scheduled. All absences count against attendance grade except absences due to death or birth in the immediate family, court appearances related to injury resolution and other valid reasons, in writing, and at the discretion of the school administrator.

Students failing to maintain satisfactory attendance will be advised by the administrator. If attendance fails to improve, the administrator may dismiss a student for unsatisfactory

attendance. Before he or she is accepted back in to class, documentation substantiating the cause for being absent must be submitted to the administrator via the instructor.

TARDINESS

Tardiness is disrupting to a good learning environment and is to be discouraged. Tardiness without legitimate reason on two occasions in one class will be penalized with equivalent point reduction of one unexcused absence. You are considered tardy if you have not signed in by the beginning of the class period. The Student Secretary or Management Information Clerk (MIS Clerk) will collect time sheets by ten minutes after the hour from the beginning of the class period.

LEAVING CLASS EARLY

Students are expected to remain in class until dismissed by the instructor. They must also remain in the school grounds at all times. Provisions for leaving early should be discussed with the instructor, and a permission slip to leave the class early or vacate the school premises submitted to the Student Secretary, otherwise leaving the class early or the premises of the school without permission will be considered as an unexcused absence.

LEAVE OF ABSENCE

Written request for leaves of absence will be considered and such requests may be granted at the discretion of the Instructor, with the final approval of the school administrator. The maximum for leave of absence is 60 days unless it is a medical leave in which case it can be up to six months. There can only be one (1) leave of absence during the scheduled duration of the course.

ATTENDANCE POLICY

Student attendance is recorded by class hours. A student, who has not attended 80% of the total hours required for a program, may be placed on Attendance Probation. If the student misses 20% or more of the scheduled hours for any module, the probation period will be for one month. An unexcused absence during the probationary period will be considered cause for dismissal from the program.

SCHOLASTIC REGULATIONS

At the end of each program module, students will be tested on their knowledge and skills using written and/or performance examinations. Students will be monitored during the training period to ensure that satisfactory academic progress, a “C” average or 70%, is being maintained. Progress reports are issued to students at the end of every four-week reporting period. If a student accrues a less than average grade during a reporting period, he or she will be notified of such unsatisfactory progress and the student will receive mandatory tutoring in the area of his or her weakness. In the event that the student receives a grade less than average for two consecutive reporting periods, the counselor, the student, instructor and an administrative staff person will decide on the continuation of training. Academic Probation is lifted once the student achieves satisfactory academic progress.

Career Development Institute does not administer a financial aid program; hence there will be no probationary period on those bases. Student should be aware, however, that if sponsored by a third party, said party will be notified and they will have input into whether the student should continue or not. The monitoring of academic progress is solely to insure that the student’s progress does not fall below the institution’s standards for graduation, and to keep all parties aware of any problems that might affect the outcome of the training program towards that objective. Students and their counselors are kept aware of class progress, attendance, problem areas, and areas of strength. Progress Reports will be issued every four (4) weeks.

ACADEMIC PROBATION

Before a student is placed on probation, the student will receive advisement regarding their unsatisfactory progress and/or unacceptable behavior. If the student, after meeting with the instructor to address these concerns, the problem cannot be resolved, they will be placed on formal probation and a probationary letter stating the reasons for the probation. Length of probation, and corrective actions required of the student to get off probation will be sent to all concerned parties.

TERMINATION OF TRAINING

Career Development Institute has the right to terminate training of students for violation of any of the following:

- ◆ Failure to maintain satisfactory progress,
- ◆ Failure to comply with the school’s attendance policy,
- ◆ Failure to comply with the school’s conduct policy,
- ◆ Failure to meet all financial obligations to the school as described in the Enrollment Agreement, and
- ◆ Violates any of the conditions set forth in the Enrollment Agreement.

GRADING AND ACADEMIC POLICIES

Upon enrolling into Career Development Institute students are issued a syllabus of the course he or she will be studying. It explains the objectives and basis used by the instructor to determine grades and progress. Satisfactory progress applies to full-time and part-time. Students will earn a grade for each course, based in individual achievement of specific course objectives. Students must maintain a minimum Grade Point Average of 2.5 at the end of each module upon graduation.

A student failing to meet GPA will be placed on a one-month probationary period. If at the end of the probationary period, the student’s GPA equals or exceeds 2.5, the student is removed from probation. If the student’s GPA is still below 2.5 the student will be considered not to be progressing satisfactory and will be dropped from the program. Students, who have been dropped from C.D.I’s active student’s list, may apply for re-instatement and be placed on academic probationary period for one month. If at the end of this period the student does not achieve the required GPA, he or she will be placed on formal probation. A cumulative scored of 70% is the minimum passing score used by this institution, and does not accept a lower minimum passing score.
